

# Wives #1 Need:

# LOVE

*...found in Ephesians 5*

*This is an unconditional love. It says I love you on your worst day and on my worst day without any exceptions. But, I do not have to love anything illegal, immoral, unethical or unbiblical. Husbands give PVC to your wives daily.*

## P - Protected

*Example: Protected from others hurting me physically, emotionally, mentally and spiritually...to feel safe. When we disagree, that you do not see me as your enemy.*

## V - Valued

*Example: That I am #1 in your life after the Lord. Our children are #2 and everything comes after that. That you would give me your undivided attention and just listen to me.*

## C - Connected

*Example: That I feel connected with you when I share my heart and feelings and you do not diminish or dismiss my feelings. It is not only sharing my feelings but you sharing your feelings with me.*

**WARNING:** Take any one of the “PVC”s out and the other 2 “PVC”s will immediately follow and your wife’s #1 need to be loved will not be met!
